Millat CONSULTANTS
MEP Design & Consultancy

## ABOUT

MILLAT CONSULTANTS is a Islamabad (Pakistan) based company that specializes in Mechanical, Electrical and Plumbing (MEP) building services, operating since the year of 2013.

From the very beginning we adopted a unique approach towards our clients, catering to their specific needs and delivering upon their expectations. Behind the name of Millat Consultants an experienced and professional team that works together to deliver and maintain the highest standards of MEP services.

Millat Consultants strives to deliver the highest standards of MEP installation, carefully paying attention to our client's ideas, collaborating in the development of the right scope of work. We develop a unique approach towards each client and each project is a never-ending responsibility for us. Our commitment, as well as the commitment of our partners and clients, has contributed to the impressive accomplishments of the company. In a relatively short span of time, we completed a great number of projects and we continue to work on even more upcoming projects that vary in complexity, size and value. And regardless of the size, we commit all we have to every project we work on. It is all about our clients!

## WHAT WE DO?

Our highly qualified and technically competent managers, engineers and technicians, allow us to capture a sizable share of the market. We are currently executing a number of projects in different premises of commercial, residential, and industrial type.

Millat Consultants undertake all kinds of Mechanical, Electrical and Plumbing works for the following premises:

Villas / Hotel / Warehouses / Factories / Hospitals / Residential Buildings / Commercial Buildings & Offices / Shopping Malls &Centers.
